## Election Will Set Precedent In This City

Will Mark Success or Failure of First Recall Ever Invoked Here

Last-Minute Returns from "Front" Indicate a Hot Finish

Tomorrow will be a history-making day in Sierra Madre. It will mark the success or failure of the first recall election ever invoked here against any public official. It is also expected to set a new record of votes cast, for it is believed that practically every voter eligible to cast a ballot will appear at the polls between the opening and closing hours.

The issue, boiled down, appears to be whether or not, in the opinion of a majority of the voters, Councilmen Isaacs and Belohlavek have been guilty of "breach of faith and flagrant disregard of the wishes of their constituents" in that "In the performance of their official duties as members of said Board of Trustees they have flagrantly disregarded the wishes of a majority of the voters and taxpayers of said City, and have acted arbitrarily, and against the wishes of a majority of said voters and taxpayers, and against the best interests of said City, and its voters and taxpayers, regarding proposed public improvements."

In rebuttal, Messrs. Belohlavek and Isaacs offer brief digests of their records as public officials. Councilman Belohlavek says:

"In the three years I have served as a member of the Board of Trustees of the City of Sierra Madre I have always fulfilled my duty in accordance with my oath of office, and in all that time I have never missed a regular or special meeting of the board, although I have never received one cent of compensation for my services, either directly or indirectly. "I am a property owner and taxpayer myself, and therefore all of my official actions have affected myself in the same way that they have affected any other taxpayer."

"During my tenure of office, Sierra Madre has shown more real civic improvement, at lower cost, than at any other similar period in its existence. The financial condition of the city is better today than it has been in many years."

"As a property owner, I personally favor a constructive program of permanent improvements. However, I have always tried to abide by the wishes of the majority and will continue to do so. "I deny the charges contained in the recall statement, and a check of my official record will show those charges to be untrue and not based on facts."

Councilman Isaacs states that "When I assumed office as a member of the Board of Trustees of the City of Sierra Madre, I desired to carry out the wishes of the citizens. My every official act since that time has been based on that belief and I shall so continue."

"For two years I have served the City of Sierra Madre without compensation or any thought thereof and my official conduct has been guided by the desire to do the best possible for the city as a whole."

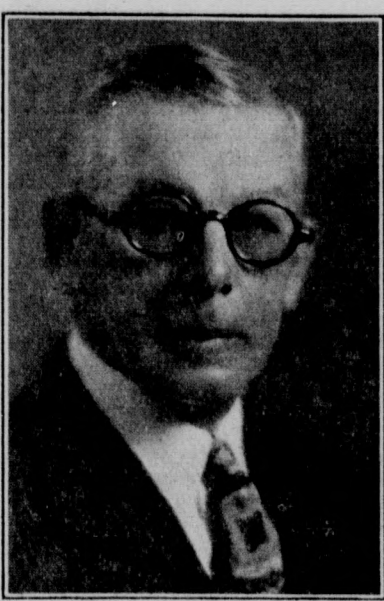

"The charges contained in the recall statement are not based upon any official act of mine, but rather upon the fear of my attitude concerning the proposed Central Avenue improvement. Personally, I favor the permanent improvement of that street, in the belief that it will be cheaper and more satisfactory in the long run. If, however, a majority do not favor that plan, I will, as always, abide by their wishes."

"My investments in the City of Sierra Madre are good evidence of my loyalty to its best interests."

"The recall is a weapon for the correction of injustice—thus far it has not been shown that any injustice has been done or even contemplated."

In paid advertisements, both sides to the controversy have endeavored to educate the public mind into their respective viewpoints. "Facts," "asserted facts" and "Recall Facts," including various compilations of figures, have been offered for public perusal.

The Central Avenue Property Owners' Association officials contend that the improvement of Central Avenue with cement concrete (Continued on Page Five)

## OPPOSING FACTIONS ANNOUNCE MEETINGS ON EVE OF ELECTION

As the date for the recall election draws near, interest is aroused to a high pitch in Sierra Madre. Mass meetings are scheduled by both sides for Friday evening, May 24, at 8 o'clock.

Those who are sponsoring the recall will assemble in the auditorium of the Woman's Club House, where they announce there will be "no imported officer ruling with iron hand—just one of us."

Those opposing the recall will meet at the city hall, where they announce an extensive program of music and speeches. John E. Canady, specialist in political economy at U.S.C., reputed to be a brilliant young orator with state-wide fame, will speak. Also Russell E. Parsons, who addressed the first meeting of the Progressive Civic League, will speak again Friday night. Mr. Russell is returning as a result of dozens of special requests, it is said by those who are arranging the meeting.

## Middough Is New Owner Local Store

Hughes and Rich Dispose of Interests in Central Pharmacy

Considerable surprise greets the announcement this week that the Central Pharmacy, 36 West Central Avenue, has been sold by A. D. Hughes and Dr. F. R. Rich to William Middough of Long Beach.

Mr. Middough assumed charge the first of the week but Messrs. Hughes and Rich are assisting him to get well started. Mr. Middough states that he expects to bring his family from Long Beach about the first of June. He has one daughter in the junior high school who will remain there until the close of school. His one son is of kindergarten age.

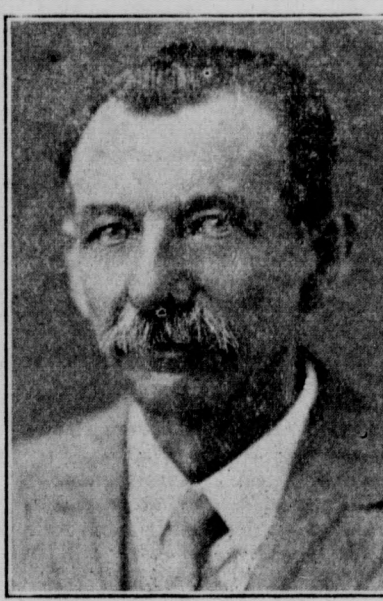

Mr. Hughes and Dr. Rich have made many friends here with their genial natures and all will be pleased to learn that they both expect to remain here for some time yet. Mr. Middough comes most highly recommended and experienced in the drug store business. He announces that he plans many improvements in the store and to enlarge and add to the present stock of goods carried.

## Merchants Elect Davies Secretary New Association

The Retail Merchants Credit Association, a branch of the Sierra Madre Chamber of Commerce, held their regular meeting last Friday evening at the city hall. R. J. Davies, of the firm of Solury & Davies, was elected secretary of the organization. Mr. Grant is chairman.

Splendid interest is being shown in this newly formed Association and the merchants are urged to turn out at the next meeting which will be held June 10, the second Monday of each month hereafter to be the regular meeting night. Meetings are called to order at 7:30 p. m. in the city hall.

Mrs. Fred Fearway of Colorado is the week-end guest of her sister, Mrs. E. H. Porter, on East Alegria.

JOSEPH BELOHLAVEK  
"I stand on my record as a public official and feel that the people of Sierra Madre will show their confidence in me by voting 'No' on the recall."

## Eastern Star Chapter Has Fine Meeting

Paul H. Jones is Selected to the Office of Worthy Patron

Monday evening the members of the Sierra Madre Chapter of the Eastern Star had a most enjoyable meeting under the supervision of Mrs. Agnes Tyree, worthy matron, with Mrs. Harriet Buckingham acting as chairman of entertainment.

Paul H. Jones was elected to the office of worthy patron for the balance of the year, a vacancy occurring through the resignation of Harold Roberts some time ago. Mr. Jones affiliated from Redlands chapter. He is the present exalted ruler of the Elks lodge, Monrovia.

Visitors present were Mrs. Grove, past matron, of Lincoln, Nebraska, Miss Adelaide C. Tichnor, deputy grand matron and Mrs. Elva Trask, past matron of Pasadena chapter, Pasadena.

Following the meeting, mirth-provoking games were played in the banquet hall, prizes being awarded to Mrs. George Morgridge and Mrs. R. M. Finlayson. The white elephant sale undoubtedly furnished the most amusement of the evening, besides netting quite a considerable sum of money. Mrs. Finlayson assisted Mrs. Buckingham in making the entertainment a marked success.

Mrs. W. R. Humphries had as week-end guests May 18, Mr. and Mrs. Gerald Griffin of San Francisco. Mr. and Mrs. Griffin left for San Pedro where they boarded the all-electric S. S. California for a trip thru the Panama Canal to New York.

## Dance Program at Pasadena Playhouse in June

With the varied program including a colorful array of artistic and spectacular solo and ensemble numbers, and the list of those taking part comprising many names believed destined to loom large in the dance firmament of the future, completed arrangements have been made for the "dance diversions" of the Collette Ballet, to be presented the evenings of June 3 and June 17 in the Community Playhouse. Taking part in the production will be some 95 pupils from the Pasadena studios of Collette, personal pupil and former protegee of Pavlova, world-famed Russian danseuse. Included in the group are several pupils from Sierra Madre, who are studying under Collette.

## Pump Bids Show Wide Price Range

Council Refers Proposals to City Engineer for Checking

Application for Lease of the Swimming Pool Under Consideration

Six bids on the deep well turbine and five on the centrifugal booster pump were opened at the meeting of the City Council Tuesday afternoon, with all members present. The bids on the turbine ranged from \$6,931 to \$8,327.50, net, allowing for the removal and purchase of the old turbine now in use. The time for completion of the job ranged from 20 days to ten weeks.

Proposals for installing the booster pump varied from \$3,331 to \$3,942. If the lowest bidder proves acceptable when checked by City Engineer O. A. Gierlich, the total cost of the two projects would be slightly more than \$10,000. This equipment is to furnish the water supply for the new 3,000,000-gallon reservoir at the head of Grove Street.

Application of James Heasley to lease the Canyon Swimming Pool and Bathhouse was referred to the committee of the whole for further consideration, and the city attorney was instructed to draw up a lease in proper form after investigating the Monrovia pool system. A committee from the Canyon Improvement Association appeared and spoke in behalf of Mr. Heasley.

After hearing read a communication from President Oscar Seiling of the Progressive Civic League surrendering the use of the city hall for Friday evening of this week, the Council granted permission to a group of citizens to use the hall that night in the interest of the recall election. The letter of request was signed by Ralph V. Richardson, R. S. Corlett, George E. Haggood and Geo. Schurmann.

An easement was accepted from the Pacific Electric Railway for a storm drain across the triangle from Kersting Court to Baldwin. A letter from the City Clerk of Arcadia requested the City of Sierra Madre to obtain an expression of opinion from the property owners on the Arcadia side of the East Grand View Improvement project. J. E. Carpenter, superintendent of streets and water, was instructed to find out their attitude after obtaining the necessary data from the city engineer.

The Council adjourned to meet again next Monday, May 27, at 2:30 p. m. to canvas returns of the recall election, as is prescribed by law.

Mr. and Mrs. Ernest Green and family attended an annual reunion picnic and party at Echo Park Saturday, May 18, of Williams and Amherst colleges. Mrs. Green was hostess for the occasion. Sports, bridge and dancing, with a picnic dinner in the club house were diversions of the day and evening. The entire park was reserved for the reunion.

Mrs. W. K. Booth of Pasadena was visiting friends in the city Tuesday. Mr. Booth, head of Booth Engineering, Inc., has recently opened a branch office in San Francisco. The firm is going ahead rapidly under the energetic direction of the former Sierra Madre resident.

Mrs. E. H. Porter will entertain on Friday May 31, at a one o'clock bridge luncheon at the Aztec Hotel, Monrovia.

Mr. and Mrs. Challenger of Los Angeles will be week-end guests at the home of Mr. and Mrs. W. R. Humphries on West Carter.

HENRY CLAY REAVIS

"If elected at the Recall Election May 25, 1929, we do pledge ourselves to conduct an honest and business-like administration for the benefit of the city as a whole."

## Mail Plane is Forced Down Here by Fog

Veteran Pilot Finds Only Island In Sea of Fog

Many Sierra Madreans were aroused from their Sunday morning slumbers by a terrible roaring sound that struck fear into their hearts, as they recalled the back-East floods and tornadoes of which they had been reading the last few weeks.

When the stupor of sleep had sufficiently worn off to allow their conscious minds to function normally they realized that the disturbance was caused only by an airplane motor that was skimming the housetops uncomfortably close. Many were the maledictions heaped upon the unknown heads of dare-devil youth who were supposed to be "stunting" at the unearthly hour of 6:30 on Sunday morning.

But this was one time at least where the younger generation was not to blame, for the big noise was caused by no less a personage than "Jimmy" (Charles) James, veteran mail plane flier who plies his craft regularly from Salt Lake City to the Montebello field for the Western Air Express.

It is no wonder sleepers were disturbed by "Jimmy" was compelled to fly low because of a heavy fog which shrouded the whole valley, and in fact the entire coast. The last land he had seen as he headed this way from Salt Lake City was San Bernardino.

As he passed over this section he saw a "hole" in the "ceiling" of fog which he recognized as (Continued on Page Two)

## New Manager Assumes Charge Of Lamb Chapel

Howard J. Conn has recently assumed management of the C. F. Lamb Funeral Parlor of Sierra Madre and he and his family will occupy the rooms above the chapel.

Mr. Conn announces that he has had 17 years experience in this work, a great deal of which was at Appleton, Wisconsin. He is a member of two prominent fraternal organizations.

R. R. Reynolds is no longer connected with the C. F. Lamb company.

## URGENT PRECAUTION IN USE OF FIRES ABOUT THE HOME

The time is drawing rapidly near when the foothill section will be in daily danger of fire. Chief Richards urges every resident of the city to use every possible precaution in seeing that the dread menace is given no foothill. Proper use of incinerators is urged, and also observance of other fire ordinances and regulations.

Two alarms last week were answered by the department and in one instance a disastrous fire was narrowly averted.

As the season advances, the undergrowth will become more and more inflammable. Fires may start from a number of different causes, but statistics show that by far the larger part of them are man-made, through carelessness.

## Sadler Holds Sale Prior To Removal

New Kersting Building to Be Ready for Occupancy In Short Time

The new business building being erected on Kersting Court, adjoining the News office on the east, is making rapid progress and promises to be as much of an improvement to the business section as the News building put up just recently by C. S. Kersting. The same style of Spanish architecture is used as that employed in the News building. The structure will have two store rooms, one of which has already been leased by J. F. Sadler & Co., who will move the stock of drygoods from their present location on Kersting Court.

The new building is being plastered this week and it will be only a short time now until it will be ready for occupancy. The section to the east has not yet been rented, Mr. Kersting said yesterday.

Such buildings are a credit to the city and the builders who have such faith in the future of Sierra Madre deserve the commendation of the people.

Mr. and Mrs. Challenger of Los Angeles will be week-end guests at the home of Mr. and Mrs. W. R. Humphries on West Carter.

## Legion Plans Fine Memorial Day Program

Joe Teslin Will Deliver the Address of the Day at City Park

School Pupils Take Part In Exercise—Program to Start at 9:30

Sierra Madre Post 297, under the committee chairman, Dr. C. L. Barker, has planned the following program for Memorial Day:

Legionnaires, Ex-service World War men and the veterans of the Civil and Spanish-American Wars, will meet at the City Park, Central and Hermosa Avenue, at 9:15 sharp. Transportation will be furnished to the cemetery where services will begin promptly at 9:30. The Memorial Day ritualistic service will be read, each of the nineteen service men's graves will be marked with the flag of their country, and wreaths, furnished by the American Legion Auxiliary, will be placed. At each graveside the war record of the deceased veteran will be read, insofar as there is available data.

A firing squad from the Pasadena Junior College, under the leadership of Cadet Cyril Waite will fire three volleys, followed by Taps, sounded by Comrade Walter Heber.

At 10:45 exercises at the City Park begin, to which everyone is invited. By your attendance you will honor the soldiers who have passed before and give pleasure to those who remain. The school children will join in the exercises, which are to be as follows:

Invocation.  
Anthem, "America," sung by all. Mrs. George Morgridge at the piano; Mrs. Homer Glidden and T. M. Webster, cornet accompanists.

Talk by local school boy on "The Origin of Memorial Day," Albert Ellis.

Musical selections from military airs of former wars, by Sierra Madre public school Harmonica Band.

Address of the Day, "My Own Experience in the World War as Related to Preparedness," Comrade Joe Teslin, past senior vice-commander, Department, California, D.V.A.

Selections by the Harmonica Band.

Reading of the Sierra Madre Roll of Honor and the placing of the wreath on the memorial tablet of the park house and on the cannon.

Memorial Service to the Unknown Dead of All Wars, by members of the American Legion Auxiliary.

Benediction, by Mrs. Hortense Hill, Auxiliary Chaplain.

Taps, sounded by Comrade Walter Heber.

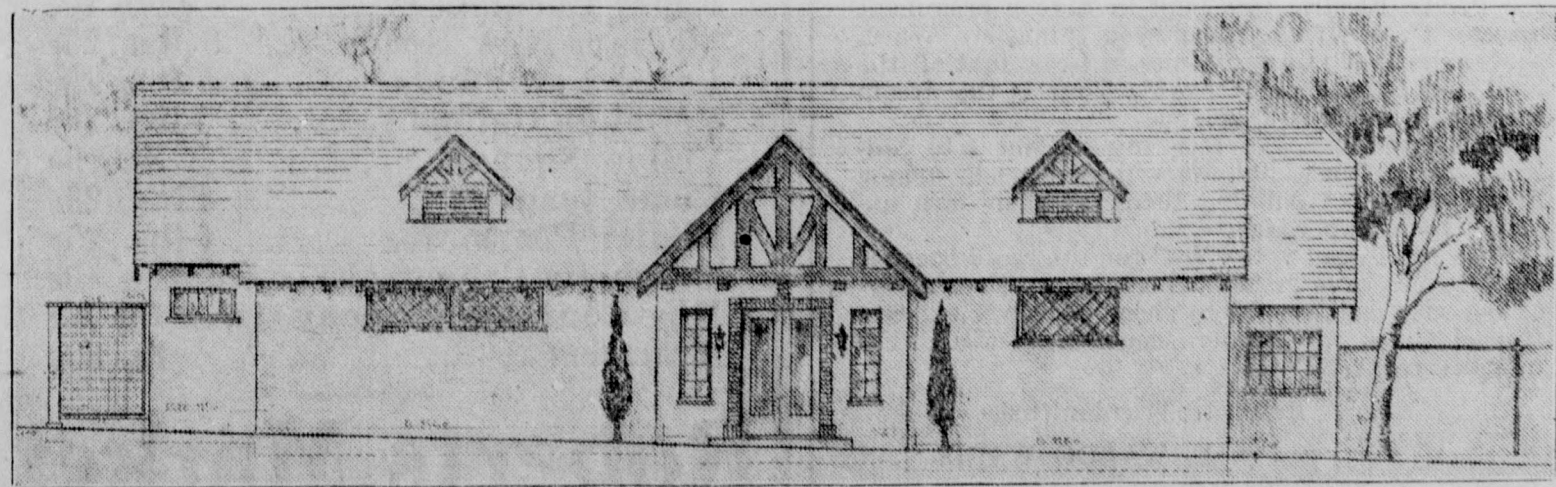

Disabled veterans and the veterans of the Civil, Spanish-American and other wars are cordially invited to attend the services in their honor. If they will call Adjutant Henry Olsen at Green 38, he will gladly arrange transportation to and from the services.

Because of the scarcity of Shasta daisies this year, of which the memorial wreaths are always made, the Auxiliary is appealing to Sierra Madre citizens who possess them, to kindly come forward with floral contributions for the occasion. Please phone Mrs. Stewart, Blue 49, who will arrange to have them picked up, or advise where the flowers may be left.

For the public assistance in helping to make this a Memorial Day of which Sierra Madre may be proud, the members of the American Legion and its Auxiliary extend thanks.

On Sunday, May 26th, special Memorial services will be held in the Congregational Church. All members of the Post and Unit are requested to meet at the Park House promptly at 10:50, with caps and uniforms, and march in a body to the church where a section has been reserved for veterans. During the services, the commander of the Post, H. Clay Reavis, will read the Honor Roll of the Sierra Madre dead, and at the conclusion Taps will be sounded.

Miss Ruby Ronnell who has been visiting for several months with her brother L. K. Layton and his wife, left Wednesday for her home in Watertown, S. D.

SIERRA MADRE MAN WILL BUILD THIS STRUCTURE  
Canyon Residents Voted \$7,600 Bonds to Provide Adequate Swimming Facilities. Plans Were Made by City Engineer Gierlich and F. H. Hildebrandt Will Be the Builder

## Society and Personal

### WOMAN'S CLUB MEMBERS HEAR OF THIBET

Mrs. E. Keith Harkness, formerly of the faculty of U.S.C. and now hostess at the Artland Club of Los Angeles, gave a most interesting address at 2:30 in the Woman's Clubhouse Wednesday, May 22, on Art and Customs in Tibet.

No one could have handled the subject more intelligently, as Mrs. Harkness has not only herself been in Tibet, but is the sister-in-law of Dr. Shelton, the medical missionary, who went to this little-known mountainous country in 1912 and devoted many years of his life amongst the Tibetans. In 1921 he was urged to return to Lhasa, the capital, where he had established a hospital, but was assassinated because he was an American, intense jealousy existing. It has long been a field of commercial and political rivalry between Russia and England. Chinese agents control the foreign relations, and the Dalai Lama is virtually the local chief executive.

Religion is the only hope of the people and they are constantly engaged in prayers, swinging a small prayer case in their hands and chanting incessantly. One-seventh of all the people are in monasteries, the oldest son of each family being compelled to enter. The population being between two and three millions makes a large number of priests. There is no education in the country at large, the center of learning being in the monasteries. Many books, written in solid leaf gold, and priceless, were burned by the Chinese for the precious metal they contained.

There are many religious fanatics in Tibet. One type of hermit builds immolation huts over small streams so that not even a ray of sunshine ever penetrates. Daily rations are passed them through small openings. Sixty-nine years is the longest period of immolation known. One religious fanatic took seven years to walk from Shanghai to Bakha, throwing a sacred stone in front of him, prostrating his form over it, blessing it, and repeating the process.

There are 1700 mountain passes and means of transportation are primitive, most of the baggage being carried on the backs of women and men, who chant prayers as they trudge along. Religious flags are found in every mountain pass.

The country is polyandrous, the husbands being brothers. The women are the rules of the household, carrying the keys, protecting the family wealth, and meeting out the rations.

The Tibetans are strong, energetic, abstinent and enduring, but extremely superstitious, and of low morals. The women grease their hair and bodies profusely with butter. The serving of tea is a mark of hospitality. A piece of butter and meal is added. The cup is thereafter washed by the tongue. Condensed milk was first produced in this country of Tibet.

Mrs. Harkness exhibited many examples of the Tibetan handicraft. A lantern of bronze, beautifully designed and studded with turquoise; a silver tea pot, prayer containers, chop-stick case, hand-woven rugs, tapestry, art pictures of priests, etc. The men are skillful weavers, potters and metal workers.

In closing Mrs. Harkness repeated a bit of Tibetan philosophy: "Words are Bubbles; Deeds are Drops of Gold."  
Mrs. Paul Blaisdel sang a charming group of songs, accompanied by Mrs. C. Blair Jamison. An exhibit of art work by the Woodrow Wilson junior high school pupils showed the futuristic tendency and a finish far in advance of usual junior high school work. The subjects were Mexican and typically Californian.

### ATTENDS BANQUET

Mrs. W. E. Pratt, with her mother and father, Councilman Hicks of Long Beach, were guests Tuesday night at a banquet ball in the Coconut Grove at the Breakers Hotel, Long Beach, honoring the commander-in-chief of the U. S. Navy, Admiral Wm. V. Pratt. About fifty captains and commanders were introduced. Charles King of Warner Bros. studio and Erna Lee Campbell of the Mission Play were entertainers.

Mr. William Stack who has been appearing with such marked success at the Pasadena Community Playhouse, will take the regular meeting of the Unity Center on Wednesday evenings as usual.

## E. WALDO WARD

says:

### FRIENDS:

There are some things that I want to say: The bridge at the west side of Hastings' ranch, the engineer said "would cost \$45,000"—and said also, "of course Sierra Madre would have to pay for that." Add the bridge, and probably there is more, to the \$221,977.20 and the amount is \$266,977.20. A very large sum. It is far, and away, and beyond, anything that we can afford. And yet our trustees appear to think that it is all right. Yet they must know that we very much need a good deal of money for schools—and other things.

I shall vote "Yes" for the recall. Because I think our trustees should have stopped any such expensive project, to be even considered.

Will Rogers recently said about EDUCATION, that it is worth more than 100,000 miles (four times around the earth) of BONDED concrete roads.

I shall vote "Yes" for the recall because, all along our trustees have given almost no consideration to the people, who must pay the bills and the money.

The Central Avenue project as it stands will cause, in my opinion, greater than VERY GREAT FINANCIAL DISTRESS. I shall vote "Yes" on the recall to help stop, if possible, the very serious indebtedness that they propose to shackle me with. They propose to hang a large indebtedness on me that I never can get off of me; and it will be on me when I am dead.

Friends, please help to stop it. Vote "Yes", to recall them. Those who pay none or small taxes, vote "Yes" for the recall, and help stop this serious thing, so that many others who must pay the taxes, will not go broke. People wanting to come here to live will be stopped by the very high taxes and poor schools.

Central Avenue projectors have a dream. When the Pacific Electric was built in here a prominent merchant said to me, "Don't you think, Mr. Ward, that when that railroad comes in here, that all the East will come here to live?" That is the dream they have for Central Avenue.

Hastings Ranch? It is my judgment to continue our patience, and we will save much money by some project building there, at their own expense, their own roads.

Again, I shall vote "Yes" for the recall because our trustees have instructed or at least have allowed our city engineer to go ahead at heavy expense several times when they should have STOPPED him before he STARTED.

Respectfully submitted,

E. WALDO WARD.

Mrs. C. E. Cook and daughter, Miss Gertrude, 147 West Central, entertained last Saturday for luncheon the following guests: Miss Stella B. Prince, Miss Ziltha Prince and Mrs. Pettit, all of Redlands, Calif., and Mr. and Mrs. Carl Prince of Turner, Maine, at which place Mrs. Cook spent her girlhood days as a close neighbor and friend of the Prince family.

## Mail Plane is Forced Down Here by Fog

(Continued from Page One)

Sierra Madre, for he knows almost every foot ground in this territory. Realizing that there was no landing field here, and being unable to land at Montebello on account of the fog blanket, "Jimmy" headed for the San Fernando Valley, intending to land at Lankershim, or some such place.

Even that section was obscured, however, so he turned back this way and finding the "hole" still open above Sierra Madre (which he states is usually the case even when everything else is shut out by fog), the aviator decided to bring his plane to earth and skimming closely over the city he landed on the Hastings ranch, just west of Sierra Madre.

He dared not leave his cargo of Uncle Sam's mail, so he hailed a passing motorist and told him to have his friend, "Vic" Hill of this city, telephone to the Western Air Express to send out a mail truck to pick up the mail and take it to the Los Angeles post office. "Vic" and "Jimmy" used to know each other in war times at Marsh Field. Mr. James commended this city as an excellent place for a landing field, due to the almost constant freedom from heavy fogs.

His craft is a Boeing mail plane, equipped with a 450-horsepower Wasp motor, with a maximum speed of 140 miles per hour. The trip from Salt Lake City usually takes about four hours.

## Trout Reported Running Large At Valley Forge

Word comes from Valley Forge Lodge, located on the West Fork of the San Gabriel, that the trout are running larger now than at the opening of the season. The limit of good sized trout is being taken by practically all who visit this vicinity, the report says.

Through the cooperation of the Isaac Walton League of Pasadena and Cheri DeVore, proprietress of the Lodge, the government has planted fry to the extent of 200,000 in the upper West Fork in the past two years.

## Interesting News Notes from the Film Houses and Theatres

### Lyric Theatre To Present Desert Song

Popular Theatre Continues to Offer Best Attractions Procurable

Blonde Laura LaPlante, the rollicking comedy drama heroine of a season or so ago, has gone serious. In her latest picture, "Scandal," a Universal talking film showing at the Lyric Theatre, Monrovia, Sunday and Monday, May 26-27, she proves herself a capable dramatic actress, both in manner and in voice. This is one of the most entertaining talking pictures presented so far. It has a corking story, which means a whole lot.

"Stark Mad," Warner Bros. latest 100 per cent talking picture, comes Friday and Saturday, May 31-June 1. The piece recounts the blood-curdling, rib-tickling adventures of a group of well-meaning people who join in the search for a young hunter lost in the Central American jungles. Shivers come in the form of the largest gorilla in captivity, a temporary madman, closing cavern doors and vanishing floors.

It is singularly fitting that "The Desert Song," the screen's first operetta, should be produced by Warner Brothers, whose introduction and development of the Vitaphone is solely responsible for the advent of the speaking photoplay. The all-star cast appearing in the screen version of "The Desert Song" includes John Boles, Louise Fazenda, Carlotta King, Johnny Arthur, John Miljan, Marie Wells, Jack Pratt, Edward Martindel, Otto Hoffman, Myrna Loy, Robert E. Guzman, Del Elliott and a magnificent singing chorus of 100 voices.

### Ibsen Drama at Community Play House May 28th

Ibsen is to be the next dramatist offered in the May-June program of Pasadena Community Playhouse, with "An Enemy of the People," with its surprisingly timely message thru 44 years existence, set for opening May 28. A two-weeks run is allotted to this thoughtful and forceful drama, when lighter fare will again be put on the boards for popular consumption.

In the company that will present this story of Dr. Thomas Stockman, an honest official to whom the welfare of the public is of greater value and consideration than the commercial advancement of his community, especial-

ly if falsely based and therefore hollow and of surface existence, are to be seen the pick of the Playhouse thespians. Gilmore Brown is to head the company, playing the role of Dr. Stockman. The production will be of special interest to lovers of Ibsen and the intellectuals; having its appeal also to the politically minded, for its trenchant message.

### 'Show Boat' At Biltmore

Theatre Goes Get All the Thrills of Seeing Broadway Production

With Universal's movietone screen production of Edna Ferber's widely-discussed novel, "Show Boat," now well launched at the Biltmore Theatre, Los Angeles, theatre goers of this section are being afforded an opportunity to see and hear the principals of Florence Ziegfeld's sensational New York stage success for the first time. Such notable stars as Helen Morgan, Jules Bledsoe and Aunt Jemima of the musical production of "Show Boat," appear in the unique screen prologue which introduces the vivid romance featuring Laura LaPlante and Joseph Schildkraut.

With beauty and immensity on an elaborate scale marking the picturization of the story of life on the Mississippi River "floating theatres," "Show Boat" as converted to the screen has lost none of the charm and verve which predominates in Miss Ferber's original conception of the romance of Magnolia and Ravenal.

"Show Boat" is presented twice daily at the Biltmore with matinees starting promptly at 2:15 and evening performances at 8:15. It is anticipated by the Biltmore management that the Universal super production will enjoy a record-breaking engagement in Los Angeles as it is now playing to capacity houses with seat reservations well in advance.

Residents of Sierra Madre are given a most cordial invitation to join with Monrovia on Saturday evening of this week in celebrating the completion of the widening of the Foothill Boulevard and its repaving with Portland cement concrete, between Mayflower and Canyon Drive. The San Gabriel Valley Development Association, with J. L. Matthews presiding, will have charge of the program, with the United Foothill Boulevard Association co-operating. Spanish dancers from the "La Golondrina" company at San Gabriel will be featured.

POOR ROOSTERS, POOR DOGS, POOR PEOPLE!

Sierra Madre, California.  
May 20th, 1929.

Dear Mother News:  
Mother, Mother, I've been thinking,  
What a GRAND town this would be,  
If Roosters, Dogs, and all POOR PEOPLE  
Were shipped beyond the Southern Sea.  
(Dedicated to the cause of Poor Roosters, Poor Dogs, and Poor People, by one who loves 'em all.)  
(Signed) ADAM SELL.  
(Poor but Pure.)

Dear Editor:  
I would like to suggest that letters, of the type written by F. M. Scott, the Disappointed Ohioan, and the Disturbed Hollywoodite, be introduced to the waste-basket when received. It is very obvious that the authors of such missives are "dyed-in-the-wool" cranks.

We should figure this way: "We may have crowing roosters, quacking ducks and barking dogs, but we have no floods, tornadoes, nor earthquakes, such as others are experiencing, so our lot is not so bad, is it?"  
Those "kickers" make up their minds that something is bothering them and they then see nothing but gloom. It is a wonder they haven't mentioned the beautiful mid-night singing of the mocking birds. I suppose they have threatened to take it to court.

"Heh! Heh!" laughs I. And the sooner those people see the bright side of life, the better off they will be. It will also be much easier on their associates.

Young Sierra Madre.

P. S.: Remember, "It's not the town, 'tis you."

Dear Editor:

Permit me to add my plea to those of the past week in regard to the rooster and dog nuisances in Sierra Madre. There can be

Don't let that Cold develop into—

Dept. 9 S. Pasadena, Calif.

no question but that the disturbances enacted by these creatures are to blame for much of the unrest in Sierra Madre.

And yet it is not so much the roosters and dogs as it is the owners who should be censured.

Sierra Madre roosters have a habit of beginning to crow (and goodness knows what they have to crow about—the hens do all the work) about two o'clock in the morning; and they all begin at once.

The dogs bark upon the slightest provocation and when they become thoroughly awakened they seem to want every living thing in town to join them on a mid-night party.

I don't want to be classed as a kicker, and don't propose to be so classed; I merely feel that I have a right to quiet at night—if not in Sierra Madre, somewhere else. Last year my family spent \$1082.25 cents with Sierra Madre merchants. Unless there is a cessation of nightly disturbances here, some other town's merchants will get this money.

Yours for quiet,  
U. N. Satisfied.

NOTICE INVITING SEALED PROPOSALS FOR FURNISHING AND LAYING COMPOSITION ROOFING ON THE GROVE STREET RESERVOIR FOR THE CITY OF SIERRA MADRE, CALIFORNIA.

Public notice is hereby given that sealed bids will be received by the Board of Trustees, also known as the City Council of the City of Sierra Madre, California, up to the hour of 2:30 o'clock P. M. of Tuesday, June 4, 1929, for the following:

To furnish labor and material

for the complete installation of composition roofing to be laid on the wooden roof now in place on the Grove Street Reservoir in the City of Sierra Madre, all as specified in the specifications for said work on file in the office of the City Clerk of said City, which said specifications are hereby referred to and made a part of this Notice.

Said bids must be submitted on forms that will be furnished by the said City Clerk.

Copies of said specifications may be obtained at the office of the City Engineer, City Hall, Sierra Madre, California, or at the office of Engineer O. A. Gierlich, 209 Bank of Italy Bldg., Monrovia, California.

The Board of Trustees reserves the right to award any or all of the items called for in the proposal or to reject any or all bids not deemed advantageous to said City.

Each bid must be accompanied by a certified check in an amount of at least ten per cent (10%) of the total of said bid, payable to City of Sierra Madre, or an approved Surety Company bond for said amount and so payable, to insure the successful bidder entering into a contract satisfactory to said Board of Trustees.

The successful bidder will be required to furnish a surety company bond with an approved Surety Company as surety, in an amount equal to twenty-five per cent (25%) of the total amount of the bid for faithful performance of the contract and a similar bond in an amount equal to fifty per cent (50%) of the total amount of the bid as a statutory bond for the payment of labor and materials.

By order of the Board of Trustees of the City of Sierra Madre, California.

Dated at the office of the City Clerk of said City of Sierra Madre this 16th day of May, 1929.

L. DIETZ,  
City Clerk of the City of Sierra Madre.

## CIGARETTES

WHY CAMELS  
ARE THE BETTER CIGARETTE

Camels contain such tobaccos and such blending as have never been offered in any other cigarette.

They are made of the choicest Turkish and American tobaccos grown.

Camels are always smooth and mild.

Camel quality is jealously maintained... by the world's largest organization of expert tobacco men... it never varies.

Smoke Camels as liberally as you choose... they will never tire your taste.

Nor do they ever leave an unpleasant after-taste.

## Society and Personal

### FLORENCE EAKMAN ENTERTAINS—

Mrs. Florence Eakman, the "Cuddle-wee fairy," had an interesting afternoon at her home, 194 Mariposa Avenue, Saturday afternoon, May 18, at 2 o'clock, presenting her pupils in an interpretation of the children's own thought in original verse. Pamela Gaze acted sweetly as hostess, introducing the mothers and friends upon arrival. Each little girl represented a flower in the garden.

Following the children's poems, a play, "Our Tea Party," was given by the twelve little girls. Refreshments followed. Mr. Eakman entertained with two songs, "Myself When Young," from the "Persian Garden," by Liza Lehmann, and "Out on the Deep," by Frederick Lohr.

The children's program was as follows: Two original poems, "My Birthday," "Mother's Flowers," Pamela Gaze (Johnny-Jump-Up); "Pee-Wee," Kathryn Norris (Lilac); "My Dolly's Bed," Margaret Ann Steinberger (Rose); "My Stars," "Little Doughnuts," Kathleen Pulling (Poppy); "Little Butterfly," "Monkey," Roberta Roberts (Sweet Pea); "I Cannot Spell," "Mud Pies," Rita Young (Daffodil); "Little Turkey," Doris Cook (Pansy); "Courage," Dorothy Ropp (Camellia); original poems, "The Fairy," "My Valentine," Rita Young (Daffodil); original poems, "The Fairy," "Empty Spool," Kathleen Pulling (Poppy); "Peep o' Day," Lucile Webb; "I Love to Push My Little Nose," "My Little Play House," Pamela Gaze; an improvisation by the entire school.

### LOCAL PEOPLE ATTEND PLAYHOUSE PRODUCTION—

Several people from Sierra Madre attended the Pasadena Community Playhouse Association's Workshop presentation of the 3-act farce comedy "Places" on May 18. Elizabeth (Jessie) Dunning of Sierra Madre took the part of Maude Brewster in the play, creditably.

Those attending from Sierra Madre were Mr. and Mrs. W. O. Preston, Mrs. M. Hawkins, Miss V. Ihrig, Mrs. E. Louise Grey, Mrs. Thos. Schwack, the Misses Croft, Mrs. Nettie Finlayson, Miss E. R. Green and Mr. and Mrs. Rudolph Hartman.

### MRS. WOODSON JONES ENTERTAINS—

Mrs. Woodson F. Jones entertained at her home at a 6 o'clock dinner Saturday evening in honor of Mrs. B. P. Malsi of Covina, who is going to Tennessee for a two months visit. Twelve guests were seated at a circular banquet board, the table being centered by a colorful bouquet of delphinium, pink rose buds and gypsophelia.

### HOSTESS AT FAMILY LUNCHEON—

Mrs. Henry Olsen was hostess at a family luncheon at her home on Sierra Place Thursday. Spring flowers in wistaria and yellow decorated the attractive table, with favors to harmonize. Covers were laid for eight.

Mr. and Mrs. Ray A. Grant spent the week end in San Luis Obispo.

Mrs. Wilson and Mrs. Perrine of Long Beach were week-end guests at the Albert Wheeling home.

Dr. Miller spent the week end at Santa Barbara on business, speaking there at a medical institute.

Mr. and Mrs. Arthur Johnson III spent two days at Long Beach visiting friends and attending the birthday party of L. Tice.

Ray Keown, formerly with a local business firm has been transferred to Long Beach as supervisor of vegetables of one of the stores there.

Mrs. E. L. Eustis of Cohasset, Massachusetts, arrived Wednesday afternoon on the Santa Fe limited to spend the summer at her home on South Baldwin.

Miss Ruth Wheeling came home from junior high on Monday with an attack of ptomaine poisoning. A tuna sandwich eaten Sunday night is suspected to have been the cause.

Mr. Seeman, who has been ill for some time, lost considerable weight during his illness. But he isn't lamenting the fact, for no one notices the lack of avoirdupois, with his recent addition of hirsute appendage on his upper lip.

### NEIGHBORHOOD LADIES ENTERTAIN—

Mrs. Wammock of East Central entertained the neighborhood ladies at 1 o'clock luncheon Tuesday in honor of Mrs. Asbury, who is a newcomer. The ladies have been meeting Tuesdays, each neighbor bringing a hot dish. The table was daintily decorated with Cecil Bruner rosebuds, crystal nut cup favors of rose and green.

Rudolph Hartman entertained the ladies with his kodascope projector, showing 1400 feet of film of local interest and of his recent trip north. One feature was the colored films of local flower gardens. The invited guests were Mrs. Coats, Mrs. Brooks, Mrs. Scoville, Mrs. Pike of Glendale, Mrs. Colbert, Mrs. Maxwell, Mrs. Pratt, Mrs. Warden, Mrs. Irby, Mrs. Green, Whittier, Verna Jones, Mrs. Wammock and Mrs. Asbury.

### FAREWELL DINNER HONORS GUEST—

Mr. and Mrs. S. G. Ratliff, 48 East Central Avenue, gave a dinner Thursday evening in honor of Mrs. E. F. Plummer. Invited guests, beside Mrs. Plummer were Mr. and Mrs. W. M. Barker and their son, Sherwood Barker of 281 Santa Anita Court. Mrs. Plummer soon leaves for her home in Seattle after having spent the winter months with her sister, Mrs. W. B. Barker.

Mrs. S. A. Townsend of Escondido arrived Wednesday to spend the week end at the Dr. C. L. T. Herbert residence.

### MRS. E. E. BACON ENTERTAINS—

Mrs. E. E. Bacon of East Alhambra entertained Thursday afternoon in honor of Mrs. F. H. Hartman who is leaving Saturday on an extended trip north, and Miss Harriet Grant who is leaving for South Dakota and Illinois. Four tables were in play.

Ralph B. Roe and his mother have opened a restaurant, "The Tavern Inn," at 114 and Prairie, Inglewood, four miles from Redondo Beach. They are doing a wonderfully fine business and their friends congratulate them.

### MRS. CASKEY HONORS GUEST OF DAUGHTER—

Mrs. Greer Caskey of 93 West Laurel, gave a luncheon Wednesday for Mrs. Grant Morgan, of Cleveland, Ohio, who is visiting Mrs. Caskey's daughter, Mrs. Cornes of Monrovia. Guests were Mrs. Louis Gray, Mrs. Carrie Holden, Mrs. R. J. Lord, all of Sierra Madre, and Mrs. Harry Caskey of Pasadena, the honor guest, Mrs. Morgan, and Mrs. Cornes of Monrovia.

Mrs. Laura M. Cline of Sierra Madre Canyon has as her house guest, Mrs. Grove of Lincoln, Nebraska. Mrs. Grove is a past worthy matron of the Eastern Star and is enjoying attending meetings of the order in California.

Joseph Kaplan of 432 Mariposa is improving from a recent illness, a fact which his friends will be glad to know.

Mr. and Mrs. Ayers, Mrs. Casper and A. N. Adams spent Sunday in the San Bernardino Mountains, at Mrs. Casper's cabin.

Mrs. Fred Staff, Mrs. J. M. Campbell and Mrs. E. E. Bacon drove to Los Angeles Wednesday afternoon to represent the Congregational Church at the School of Missions, Emanuel Presbyterian Church.

Transportation to and from the polls on Saturday, May 25th, may be had by calling the Central Garage, Blue 8. It has been customary for the Central Garage to render this service to the community in former elections.

C. H. Andrews of Fresno, brother of W. S. Andrews, is in the Santa Fe hospital in Boyle Heights, Los Angeles, and is reported as recovering from an attack of pneumonia. Mr. Andrews was a resident of Sierra Madre from 1886 to 1906 and has many friends here who wish him a speedy recovery.

Paul Rice was a guest at a bridge supper in Pasadena Wednesday night, the affair being held at the home of Novda Preble.

### BRIDGE AND FIVE HUNDRED—

St. Rita's Parish will give another bridge and five hundred party on Tuesday evening, June 4th at 8:15 p. m. Mrs. J. J. Bergien and Mrs. Frank Bergien are hostesses for the evening and are planning to make this party as enjoyable as those of the past have been. Do not forget to keep this date open. Many lovely prizes are to be accorded high scores in each game, and a good time is promised to all who attend.

Mr. and Mrs. James A. Hedges of Mansfield, Ohio, and Mrs. Nellie Sigmon of Dubuque, Iowa, and Mrs. Fannie Byers of Topazgo Canyon, are visiting their brother H. C. Hedges and sister, Dr. Adda Brady of 125 Esperanza.

Mr. and Mrs. John T. Schuster of 454 Hamel Road, Beverly Hills, were Sunday visitors in Sierra Madre to look over their lots on West Montecito and Sunnyside. They intend to build at an early date, having the house plans nearly completed.

Mr. and Mrs. F. H. Hartman will leave on Saturday for a six weeks vacation trip, through the Canadian Rockies. Enroute they will attend the state Pharmaceutical Convention, go to Grant's Pass, thence north to Portland, Seattle, and Vancouver, B. C. They will visit friends in Edson, Edmonton and Fernitosh; go to Calgary and as far east as Duluth, visiting a brother of Mrs. Hartman's there. On the return trip through the Canadian Rockies they will tour Jasper National Park, thence returning to California by steamer, embarking from Prince Rupert.

## Announcement

MR. HOWARD CONN has recently taken over the management of the C. F. Lamb Funeral Chapel, 304 West Central Avenue, Sierra Madre.

Mr. Conn has had seventeen years of experience in the management of funerals. He wishes to state that he is a member of the Odd Fellows and of the Knights of Pythias orders.

An attendant is in care of the Chapel at all times, so that loved ones who have passed away will not be left alone at any time.

advantages, Los Angeles to the East—  
at no extra fare

THE present fast schedule to Chicago will be maintained without change.

For points east of Chicago, Kansas City or St. Louis, no train—extra fare or otherwise—will offer better connections than the Golden State Limited. For example, leaving Friday evening:

Ar. Kansas City 8:00 p.m. Sunday  
Ar. Chicago 9:15 a.m. Monday  
Ar. St. Louis 7:38 a.m. Monday

Only three business hours (Saturday morning) en route if you leave Friday. Same service every day, with through sleepers to destinations shown above.

Going to New York, for example:

Lv. Chicago 11:40 a.m. Monday  
Ar. New York 8:40 a.m. Tuesday

Only 81 1/4 travel hours, Los Angeles to New York. And with no extra fare to Chicago, you save \$20.00 on the round trip.

The excellence of the Golden State Limited's equipment will be maintained and improved—club car, observation car, sleeping cars, barber, valet, ladies' maid, shower baths and library. Exceptionally fine dining service.

This high-grade transportation service will be available for the first time at no extra fare, June 9. Make your reservations now.

## To the Voters of Sierra Madre:

CERTAIN political advertising has been sent me by the Central Avenue Property Owners' Association, regarding the recall of Henry Isaacs and Joseph Belohlavek, in which it is stated that FOUR trustees voted in favor of what the Association considers a breach of trust.

I wonder and ask why they did not attempt to recall all four Trustees—why make fish of two and fowl of the other two?

Do you think this is fair? Is it just to try to recall two and leave two, when all four voted the same?

This notice is unsolicited, paid for and signed by

Joseph P. Nash.

## ELECTION TO SET PRECEDENT

(Continued from Page One)  
crete of permanent construction is unnecessary at this time, and that the cost would be ruinous to property owners. That the present type of pavement is adequate for the needs of the immediate future. That Central Avenue east of Baldwin should be improved with macadam, at a uniform width of 65-feet.

Messrs. Isaacs and Belohlavek, together with two other members of the city council, advocate a permanent type of street construction. The city engineer was instructed to submit figures for both 65-foot street and 80-foot street. The figures as submitted constituted a part of the news story following the meeting called last week by the Progressive Civic League, of which Oscar Seiling is president, as published in the News of May 17.

Every voter in the city has received a sample ballot and a card notifying him, or her, of the location of the polling places, one of which is at the city hall, the other at 34 North Baldwin Avenue. The polls will be open from 6 o'clock a. m. to 7 p. m.

Mr. Isaacs has large holdings of business property in Sierra Madre, as well as owning one of the residence show places in the foothill district. His first connection with the city council came when he was appointed to fill a vacancy caused by the resignation of an incumbent councilman.

Mr. Belohlavek also owns considerable property here, including a business block at Central and Baldwin, a modern, Spanish type home on Sierra Madre Avenue, and other property in the city.

R. W. Stewart is one of the best known members of the American Legion in Southern California. Through his ability as a leader he has risen by successive steps in the Legion to the office of commander of the 17th district. During the recent visit of the national commander to Southern California, Mr. Stewart was one of the committee in constant attendance upon the distinguished visitor. During the war he served overseas, was active in front-line duties and emerged with a splendid record.

H. Clay Reavis is post commander of Sierra Madre Post No. 297, American Legion. He is secretary of the local Kiwanis club. In business training he has had wide experience, being an expert accountant. He served overseas and has a fine record as a member of the American Expeditionary Forces.

## Society and Personal

### BIRTHDAY PARTY FOR DAUGHTER—

Mrs. Arthur Johnson III entertained Monday, May 20, at her home from 3 to 5 in honor of the first birthday of her little daughter, Carolyn Louise. Pink and white was the color scheme used charmingly in the decorations, Cecil Bruner rosebuds centering an attractive table. A white birthday cake was ornamented with one pink candle. Stick candy tied with pink ribbon was the favor for each tiny guest. Those present were Mrs. R. M. Stover and daughter Joan, Mrs. Hall Perry and daughters, Nancy and Louise; Mrs. George Johnstone III, Bobby; Mrs. Edwin Ward, Jr., and Edwin III, Mrs. Donald Hosford and son Donald; Miss Frances Lord, Mrs. Ralph Mesick, Mrs. Norman Cooper and daughter Diane, of Pasadena; the hostess, Mrs. Johnson, and Carolyn Louise.

### LONG BEACH EBELL GUESTS HERE—

The members of the Art Alumnae Association of the Ebells Club of Long Beach, were happy to be invited to hold their last meeting of the year—their annual picnic—Saturday, May 18, at the pretty new home of one of their members, Mrs. Mora Craig, 169 East Laurel Ave., Sierra Madre. All came with well filled baskets.

Mmes. Percy Glover, Bert Keith and L. J. Gillespie were motor hostesses.

After the covered-dish luncheon and a short business meeting, the members strolled thru the flower gardens. Mrs. Craig is a lover of nature and has started some rare plants. She was presented with a large climbing Cecil Bruner rose to add to her collection.

The ladies were charmed with

the little foothill town of Sierra Madre with its ideal climate and enticing views of the mountains and valley.

The Art Alumnae is composed of members of the Ebells Club who have completed the five-year course in the art department, studying the lives and works of the artists of different countries. They must also write one paper each year, and read two books on art. A year abroad with visits to foreign galleries is also credited. Those graduating this year from the art department and welcomed into the alumnae were Mmes. Benj. F. Meigs, Edwin E. Elston, Fred E. Miller, Ada C. Bliss and Miss Carrie Wasem.

Two members, Mmes. Chas. O. Hansen and L. M. Swope, are taking trips abroad this year, and Mrs. Noah Moser leaves for Europe early in June.

The retiring officers are Mmes. F. W. Smith, president; J. L. Gillespie, vice president; L. M. Swope, secretary; Henry Kinzel, treasurer. The new officers installed are Mmes. L. J. Gillespie, president; A. J. Langer, vice president, and Thos. Spurgeon, secretary-treasurer. Others in attendance were Mmes. Clay White, L. B. Hoover, Emma McCord, Florabelle Nichols, Mrs. Peterson, Miss Anna Baker, Mrs. J. W. Allison and Miss Effie Henderson.

The work of the association for the past two years has been the study of architecture. During the coming year there will be more play days, a visit to the Huntington and other art galleries.

Mr. and Mrs. L. Dietz had as Sunday guests Mr. and Mrs. Burton W. Andrews, Mr. L. Belisterling and Mrs. B. M. Dawson of Los Angeles.

### MISS GRANT HONORED BY CLUB BOARD—

The board of the Woman's Club honored Miss Harriet Grant, the former president, at a delightful 10:30 o'clock breakfast at Proctor's Tavern on Foothill Blvd., Wednesday, May 22. Miss Grant, who is leaving soon for a trip east, was presented with a lovely leather portfolio appropriate to use in her travels. There were fifteen ladies present at the breakfast: Mrs. J. H. Robertson, Mrs. Walter Poehler, Mrs. Carroll E. King, Mrs. Nestor A. Young, Miss Clara Sykes, Mrs. W. R. Lees, Mrs. H. H. Steinberger, Mrs. H. W. Glidden, Mrs. W. R. Humphries, Mrs. W. F. Jones, Mrs. E. H. Porter, Mrs. F. L. C. Roess, Mrs. F. W. Swift, Mrs. Elizabeth Walker, Mrs. Harriet Simpson Wright, president emeritus, and the guest of honor, Miss Grant.

Mrs. Frank J. Hart entertained Mr. and Mrs. Bathurst B. Mann of San Pedro during the week end.

Ludwig Melzner is driving a new Chevrolet sedan.

Mrs. R. W. Stewart returned Sunday from a two-weeks visit in Ontario with her mother, Mrs. E. M. Wright.

Richard West, 205 San Gabriel Court, passed away Monday noon, May 20th. He is survived by two sons, Donald and Thomas, his mother and several brothers and sisters, residing in Los Angeles. The funeral services were held in Los Angeles Wednesday afternoon.

### PREFERS HOME TOWN TO NEW YORK CITY—

Mrs. Pauline Wolpert has returned recently from an extended visit in New York City and is now at her home, 255 North Grove Street. She states positively that she would not trade one little corner of Sierra Madre for the half of that great metropolis.

Chief George Cox had the unpleasant duty this week of putting out of existence a mongrel pup, beefsteak destroyer and waffle hound which had become unpopular with many Sierra Madrans. The dog is said to have bitten several people and persistently snapped at passers-by. Consequently (to make a long story short) Exit, hound!

Mrs. L. E. Wheeler, president of the American Legion Auxiliary, spent Wednesday and Thursday in Los Angeles visiting her son, Eugene McCord.

## SIERRA MADRE'S PLACE IN THE SUN

THERE is no city in Southern California which has a more instant or deep appeal to the visitor than our own beautiful Sierra Madre. Ideally situated from every standpoint, with pure mountain water, pure air and brilliant sunshine, and fanned by ever-active currents of air even on the hottest days in summer, Sierra Madre offers more advantages to the discerning home-seeker—insofar as natural attributes are concerned—than any other community in this great commonwealth.

And yet, notwithstanding the fact that Sierra Madre's incorporated limits total two square miles, the city is far from being overcrowded or even comfortably filled. Real estate values are low. Many believe that wise investors stand a better chance of reaping returns on real estate investments in Sierra Madre than in any community in the Southland. The belief is predicated on the present value of real property in neighboring communities, particularly in the newer communities which have been quickly and thoroughly developed by development com-

panies and where the usual small-town "squabbles" never got a chance to grow and flourish.

Sierra Madre's history includes many interesting high-lights. Its beautiful church buildings are an inspiration to the spiritual-minded, and others, too. Its many beautiful homes and grounds compare with those to be found anywhere. Sierra Madre's history in Red Cross and war activities is second to few cities in the nation, and have spread our fame. Such action has been spontaneous and whole-hearted. But there are some side-lights that are not so good. Local chambers of commerce have not been too enthusiastically supported, at times. The Bailey Canyon Arboretum died a-borning. Even the modest little Greek theatre in the park was petitioned out by a small group of probably well-meaning but misguided individuals who failed to see the benefit of such a project to the town in general.

Numerous other instances of well-planned improvements that have been snuffed out of existence by ill-timed opposition could be cited. "But why bring that up?"

The lives of public officials in Sierra Madre have been far from pleasant, in many instances. Many new faces have "waxed and waned" in the city hall in the past few years. Some of us have been too prone to censure men prominent in the affairs of the chamber of commerce.

It's all wrong. Nothing is gained by fighting. If you don't believe it, ask the Germans—or the Allies. Everybody loses in a fight of any nature. And every day spent in fighting is a day lost, never to be regained.

Tomorrow will mark the culmination of our latest difference of opinion. The citizens will voice their approval or disapproval of the acts of two members of the city council. Whatever the verdict the city will lose—unless the good citizens take council among themselves and vow that we shall have no more of it. Let us, each one, figure out ways and means of putting our home town forward a little each day—never a day with a backward step.

Then, and only then, will Sierra Madre take its real place in the sun and its people add their labors to the favors bestowed by a generous Providence.

## Fire Flames

By One of the Boys

Last Saturday afternoon, Don Hosford was standing "neath the 'old pepper tree' (that confronts his radio shop) and apparently enjoying the reports of the Kentucky Derby when the writer happened along. Hardly had we engaged in the usual firemen's conversation when along comes Brother Cox who also stopped to hear the latest. This trio discussed fire prevention and radios until finally Chief Richards joined the confab. Everything was going pleasantly until someone else came along, (not a fireman) and said "What about the recall?" Don went into shop, Cox started for his beat, Chief Richards helped him, and I went home. You can't even talk "fire call" without ending in the "recall."

The fire call last Monday morning happened to be for a run to Engineer Buck's place of abode and had it not been for the timely arrival of the boys and the truck, Buck's special brand of imported manila cigarettes would have been lost. As it was they got somewhat soaked but with the strength of the tobacco within them, they will come back strong.

Most of the boys turned out to this fire and those who didn't have offered reasonable excuses or alibis, with the exception of Louie Karger. Louie, who is usually among the first on the scene, was not to be seen, even after the fire was out, so this aroused anxiety among the brother smoke eaters, especially the captain of the first aid squad. Gordon Brooks was also quite concerned. Immediately, Joe Swanson ordered an investigation, with instructions to have the resuscitator in preparedness for Louie has been known to be "out" at night. Having learned that Louie had left his place of business, the boys rushed to the nursery and found Louie beneath a beautiful palm, ASLEEP.

Although we had plenty of the large hose in readiness at the fire, on close examination by Chief Richards and Assistant Chief Norris it was decided to use our small garden hose. This proved to be very good judgment and eliminated a lot of destruction by water. The only injury reported was a slight bruise to Captain Swanson's right hand. This occurred as Joe's wrench slipped at the fire plug. Being the captain of the First Aid crew, Joe got a lot of sympathy for letting a wrench slip. Don Hosford told him that the wrench was a left-handed wrench.

Bob Babbitt had his father help put the hose back in the truck.

A number of the boys went over to Alhambra Thursday evening to attend the regular monthly meeting of the San Gabriel Valley Firemen's Association. At these meetings we discuss and learn of ways to fight fire and prevent fire. Sierra Madre is always well represented at these meetings with an assurance that there are sufficient men to take care of a fire at home during the absence of the representatives. This is regular meeting night. FIRE'S OUT!

## News Notes from the Sierra Madre Grammar School

(By Rosa Karpt.)

The 6A grade is learning a very unusual version of "Jack and the Beanstalk." It is to be given for the school next week, in the patio. The play is being directed by Miss Ballard, who teaches 6A English.

The third grade is studying Sierra Madre, and think it is very interesting work. The children have drawn pictures that show the advance from the early days to the present. They have decorated their sand table so that it looks much like Sierra Madre in the early days.

Some folks seem to think that Helen Wills is being terrifically honored by being "presented" at court. Queen Mary is a fine lady, quite all right, as far as royalty goes, but she is queen by accident of birth. Fair Helen, however, is a queen by right of extraordinary capability, and withal as queenly a woman as Queen Mary. England's favorite lady could have done herself proud by stepping down off her "reserved seat," putting out the good old mitt and meeting Queen Helen as an equal—which she is, at every turn of the road; and then some.

Ball fans want a ball park. Some folks say the city ground in the wash can't be cleaned up for such purpose. Remembering the long hours the boys put in, conditioning the late-lamented diamond, and their willingness to toil and sweat, maybe they will get busy some day, clean off a couple of acres just to show the "can't be done" folks how easy it is to accomplish things when the job is tackled with energy and enthusiasm.

Bandits took \$80,000 from a Agua Caliente "money car" Monday the way the bandits got day. Thus establishing a bond between those who lost a lot of it over the gaming tables, and the owners of the Mexican resort.

Oh, for the power to direct all the energy wasted on civic strife toward some useful end—such as cleaning up Bailey Canyon, for instance, and making it one of the real beauty spots in Southern California.

Suggested slogan for the Progressive Civic League: "When Better Pavements Are Built, Belohlavek and Isaacs Will Build Them."

And for the Central Ave. Property Owners Association: "Ask the Man Who Owns One (a lot on the ave.)"

## HOME SECURITY DAY

Saturday, May 25th, 1929

The members of the Central Avenue Home Protective Association or Property Owners Association are:

MR. J. O. SMITH, lately re-elected to your School Board and as good a man for that important position as can be found anywhere. (Serving without compensation.)

MR. H. E. ALLEN, president of your local bank and possessing the greatest confidence and respect among the bankers of Southern California. Always one of the leaders for the opening of Central Avenue west. (Serving without compensation on this committee.)

MRS. J. WRIGHT, secretary of the above committee, a heavy tax payer, former secretary of the Chamber of Commerce, and at present your worthy Post Mistress. (We sincerely hope no one can persuade the Government Officials to remove her on account of protecting her home.) (Also serving this Committee without compensation.)

MR. W. A. EVANS, a long-time resident of your city; formerly a member of the City Council. A continual worker for the opening of Central Avenue through the Hastings Ranch. (He, too, is serving without compensation.)

MR. THOMAS J. BURNS, heavily interested in Central Avenue Property. A wide experience in real estate in Southern California and a long service in Steamship and Railroad business in this and foreign countries. (He is serving you without compensation.)

MR. REAVIS and MR. STEWART will gladly serve you to the best of their ability if elected. Also serving without compensation. Rather absurd of Mr. Isaacs and Mr. Belohlavek, in their letter to the voters recently, mentioning serving the public without compensation. One would think they desired some compensation for their time.

I ask, what have they done to deserve any?

Is it true, "that the San Gabriel Valley Development Association is sponsored by the Black Paving Interests?"

I noticed the secretary of the association spoke in your city last week.

Here is what the Engineer says the improvement will cost for a 65-foot street east of Baldwin and 80 feet west of Baldwin—\$4.78 per \$100 of assessed valuation of land.

Here is what your last tax bill said: \$4.81 per \$100 assessed valuation. If Mr. Isaacs and Mr. Belohlavek are elected your tax bills will look something like this:

County and City Tax rate, per \$100.....\$4.81

Special Improvement Tax, per \$100.....\$4.78

Total.....\$9.59

## Can You Stand It?

After reading the figures of the City Engineer, Mr. Isaacs and Mr. Belohlavek and taking a last look at your tax bill, can anyone question the integrity of the above committee in regards to your interests and their own? The Committee recommends that you vote for Mr. Reavis and Mr. Stewart. Don't let your property and home be confiscated by over-taxation. With the knowledge of taxes and assessments by the members of the present City Council I feel sure that they, too, will vote for Reavis and Stewart.

EARL TOPPING.

## Interesting News Notes from Sierra Madre Canyon

John Weems and the Misses Hager and Edna Weems of Long Beach were week-end guests at Dollys' Folly on Holly Trail Path.

Miss Opal Feaster, her mother Mrs. Al Feaster of Eagle Rock, and Mrs. W. B. Corum spent Wednesday until Friday at First Water Camp in the Big Santa Anita at the cabin of E. I. Lawrence.

E. C. Kenyon, from the right of way department of the Los Angeles county flood control district visited Canyon Park Friday. He stated that easements along the Little Santa Anita stream channel are now ready and that property owners concerned will be called upon for their signatures in a few days. These easements are to replace agreements signed in February, 1928, for the 25-foot right of way across private property, given in return for the flood control improvement of protection walls on the channel.

A special meeting of the Canyon Improvement Association was held Tuesday night in the real estate office of the Canyon Store, at which time J. M. Campbell was present and gave a talk on types of roads, approximate costs, etc., in the interest of road paving for the canyon district. Much time was given to discussion of width of streets, many favoring paving to the full width of 20 feet, others being willing to adopt the decision of the road committee to narrow streets where practical, to save trees. A resolution to circulate petitions for signatures on Woodland Drive and Sturtevant Road was adopted and S. Petzel, F. W. Schialos, Wm. A. Thomas and B. C. Maxwell were appointed by President J. P. Morris to report at the meeting on June 6 on the attitude of property owners in this matter. J. P. Nash presented his resignation as vice president of the association to take effect on June 10. He was given a vote of thanks for his untiring efforts in bringing the pool program to a successful close.

The annual Mt. Wilson excursion of the nature study division of the Los Angeles city schools, took place on Wednesday, under the direction of Dr. Charles L. Edwards. Early in the morning 1500 children, representing 45 schools with 67 teachers in charge of groups of ten to twenty, hiked the Sturtevant Trail to the Big Santa Anita Canyon, starting the return trip from the falls at 2 o'clock. Dr. Lokrantz assigned a doctor in charge for the day and one nurse each for the quarter-way station, the half-way station and Roberts Camp. Trees, shrubs and flowers were labeled and signs were posted drawing attention to places in which to look for certain mammals, birds, frogs, toads, fish, insects and rocks. Children are taught on these trips to realize the responsibility of protecting trails, conserving life and beauty and the danger from pollution of streams and building fires without permit. Each group of children is allowed to make a collection of insects and plants, excepting those protected by county ordinance, but are discouraged in picking wild flowers to be thrown away.

Mrs. Colbert entertained fourteen neighborhood children Monday in honor of her daughter, Jane, 7, who was confirmed Sunday at St. Rita's Church.

Mrs. R. S. Hayden of San Diego is a house guest of Dr. and Mrs. C. L. T. Herbert.

### NOTICE OF TRUSTEE'S SALE

WHEREAS, by a Deed of Trust, dated June 18, 1928, recorded June 27, 1928, in book 9649, page 141, of Official Records of Los Angeles County, California, Amelia Jensen, a widow, did grant and convey the property therein and hereinafter described to the TITLE GUARANTEE AND TRUST COMPANY, a Corporation, as trustee, to secure, among other things, the payment of one certain promissory note in favor of Ida M. Kelley, a widow, and other sums of money advanced and interest thereon; and

WHEREAS, said Ida M. Kelley, the owner and holder of said note and deed of trust has been obliged to and has paid out and advanced the sum of \$55.00 for the purpose of protecting the interests of said trust, said payment and advancement having been made in accordance with the provisions of said deed of trust and being secured thereby; and

WHEREAS, there has been default in the payment of the quarterly installment of principal due and payable on said note September 15, 1928, and a default in the payment of the quarterly installment of interest due and payable September 15, 1929, according to the terms of said note, and a default in the payment of moneys advanced in accordance with the provisions of said deed of trust and by reason of such default, said Ida M. Kelley, the owner and holder of said note and deed of trust, on to-wit September 25, 1929, exercised her option and declared the full amount of the indebtedness secured by said deed of trust immediately due and payable, there being the total sum of \$2310.66 now due and unpaid; and

WHEREAS, in accordance with the provisions of Section 2924 of the Civil Code of California, said Ida M. Kelley, the owner and holder of said note and deed of trust, is hereby giving notice to the public that she has elected to sell the property described in said deed of trust, to satisfy said obligation, which notice of default and election to sell was duly recorded in Book 7221, Page 234, Official Records of Los Angeles County, and

WHEREAS, said Deed of Trust provides that, if there is a default in the payment of any of the sums secured thereby, upon application of the holder of said note, the trustee shall give notice and sell so much of the property as shall be necessary to satisfy the indebtedness secured thereby; and

WHEREAS, said Ida M. Kelley by reason of the default in payments as stated, has requested the TITLE GUARANTEE AND TRUST COMPANY, to give notice to sell said property, or so much thereof as shall be necessary to sell, to pay all the indebtedness secured, and execute all necessary documents to the execution of said trust.

NOW, THEREFORE, notice is hereby given that the TITLE GUARANTEE AND TRUST COMPANY, will sell at public auction to the highest bidder for cash in GOLD COIN, on the 26th day of January, 1929, at the hour of 11 o'clock A. ## Annual Poppy Sale Begins Here Next Saturday Morning

The American Legion Auxiliary start their annual poppy sale on Saturday, May 25th, and will continue until Memorial Day. The proceeds from the sale of the poppies go toward child welfare and rehabilitation work.

Mrs. L. Wheeler, president of the Auxiliary, has charge of the sale, with all the Legion ladies selling. Lest we forget—buy a poppy.

Ten percent of the sale at the Wistaria Theatre Thursday and Friday nights, this week, will be given by Manager Myers to the American Legion Auxiliary, to be used by them in their relief program for the year. The Auxiliary is industriously promoting ticket sales to the theatre for the two nights, when Jack Holt is appearing in Zane Grey's "Sunset Pass."

## Fire Department Makes Hurry-Up Run to Quell Fire

The quick response of the local fire department saved the apartment owned by Mrs. Mary Bowen, 190 Santa Anita Court, at 8:15 Monday morning.

R. W. Buck, who occupies the apartment stated that the careful work of the firemen prevented damage from water and only the interior of the clothes closet and bathroom were burned, the property loss totaling approximately \$200. Mr. Buck's personal loss of clothing was about \$200. The origin of the fire is unknown.

## Board of Education Replies to Survey Report On Schools

The following article was submitted to The News by the Sierra Madre Board of Education for publication:

"The Sierra Madre School Trustees, at a recent session, considered the report on the survey tendered citizens of Sierra Madre in so kindly and neighborly a spirit by executives of the Pasadena School District, and are unanimous in feeling that the needs so indicated should be taken care of. Perhaps the salient features of the report could be summed up as follows:

"In about five years, according to predictions based on statistics which have proven almost infallible, the housing capacities of our present buildings would be en-

tirely inadequate.

"From the standpoint of health considerations our buildings are entirely inadequate now.

"That in capital outlay Sierra Madre has fallen way below the average maintained by similar districts.

"That we could afford to do more for the health and safety of our school children than we have done.

"The school trustees are not at this time proposing a bond issue to the people of Sierra Madre but wish to place the matter before them with the thought that definite action will be advisable and necessary in the early fall. The trustees are impressed with the desirability of following the plan for a new school building as outlined by these experts in their various fields, from Pasadena.

This survey indicated that a bond issue of \$214,000 would cover the needs of buildings and grounds. This sum is within our capacity as a district.

"Let the people of Sierra Madre decide then whether the children are to have what they need; whether they are to continue in an increase of impaired eyesight caused by improperly lighted school rooms; whether they are to

continue to suffer a menace to health from dampness and general unhygienic conditions. There is a limit to the amount of taxation that we can support. Would anyone dispute the fact that the greatest duty we owe is to the young of our community?"

## Local Pupils Entertain at Wilson High

Dr. Monson Tells of Life Among the American Indians

Oh-o-o-o! There were long-drawn out exclamations of wonder from everyone when Dr. Frederick Monson, noted traveler, explorer and photographer, who lectured recently at Woodrow Wilson Junior high school, threw some of his famous Indian slides on the screen. His lecture was full of most interesting personal experiences among the Indians, of hair-bread escapes, and of marvelous discoveries. He showed views of the ruins of houses of ancient Indians, built high upon the cliff-tops, in inaccessible places, for protection. He spoke of the many tragedies of the Indian tribes, and what they suffered at the hands of the whites. For over an hour the entire student body of Wilson were held spellbound.

The lecture and pictures were sponsored by the 10-2's to raise funds for the class publication. Tickets were sold at 10 cents. The student body, as Wilson Student Body usually does, entered into the spirit of the occasion, giving it their 100 percent backing.

Under the direction of Miss Mildred Scott, counselor, several lectures were presented to the student body of Woodrow Wilson Junior high, May 10. A lecture on electrical fixing and woodcraft was given in the library class room by two speakers. Mr. Wilkinson spoke on electrical fixing and Mr. Gain, a master craftsman, spoke on his trade.

In the library, Mr. Newlin, principal of the Part Time school, gave a most interesting lecture on the subject of teaching as a profession. He spoke about teaching from the standpoints of advantages, disadvantages and necessary qualifications. Mr. Newlin imparted the idea that only those who entered the profession of teaching for service alone are wholly successful. "The school is the instrument which society has use to grapple with the problems of today," he said.

Mr. Orblison, city manager, spoke in the gym on the subject of engineering and its branches. He told experiences of his own as examples of the things an engineer must do. Mr. Orblison explained the work of mechanical, mining, electrical, hydraulic and civil engineers. He stressed the fact that today there are a great many opportunities for education, while before there were but few. He explained that all engineers take practically the same courses thru school, even through the first years in college before they specialize in any one branch of engineering. Mr. Orblison was introduced by Mr. Brown, principal of Woodrow Wilson, and gave a highly educational talk.

CLASS PLAY  
Due to the earnest work of Miss Evelyn Caldwell, dramatic instructor, and the members of the Senior Class Play Club, "Master Skylark," the play chosen by the 10-2 graduating class will soon be ready for production.

Nick Atwood (Master Skylark) growing tired of the tyranny of his stern father, runs away from home to see the Lord High Admiral's Players. He is stolen, the unaware of it, by Gaston Carew, the master player. After a series of adventures while at Carew's home he visits, as a singer, the court of Queen Elizabeth. While at the court, he speaks about the wish to see his mother and is restored to his parents by Master William Shakespeare.

The play will be given May 29 in the evening, in the McKinley

auditorium. There will be no matinee.

A most interesting program was given by the Sierra Madre elementary school at Woodrow Wilson Junior high, on May 16, 1929. A play was given by some of Miss Kendall's 6-A Nature Study class. The harmonica band gave four numbers and two members of the band, Bobby Leonard and Carlos Hauften, gave solos, accompanied by Mrs. Gruit, who also accompanied the songs given during the play. Mr. Brown, principal of Wilson, introduced Miss Steinberger, principal of the Sierra Madre elementary school.

## Visitors to Shrine Convention Will Live in Pullmans

Hundreds of Pullman cars will serve as hotels for nearly 5000 Shrine delegates during the 55th annual Shrine convention to be staged in this city June 4, 5 and 6. With many delegations too large to be accommodated in any one hotel, they have elected to keep together by living in the special trains which will bring them here from every section of America. No effort will be spared to make the parked trains equal in comforts and facilities to those of the finest hotels.

The largest single delegation to live in parked trains will be that of the Chicago Medinah temple. The Chicago Shrine has chartered nine special trains, which will represent the largest fraternal train movement ever attempted out of the Windy City.

## New Union Pacific Station for East Side is Dedicated

The East Side and surrounding cities of Los Angeles leaped two steps forward east, Wednesday, when the Union Pacific system dedicated its new East Los Angeles station and inaugurated the first actual combined rail and motor coach transportation system in Southern California. More than 200 persons witnessed the ceremonies.

The new station will serve the cities lying in the triangular area bounded by Glendale, Anaheim and East San Pedro. Passengers from cities in that area, under the newly inaugurated plan, will not be compelled to travel thru metropolitan Los Angeles and congested traffic to the Central station but will board one of the new deluxe motor coaches of the Union Pacific Stage company, which will make connections with every one of the Union Pacific's transcontinental trains at the East Los Angeles station. The busses are not engaged in intra-city traffic.

## Work Done by Local Pupils Wins Highest Praise

The following letter of appreciation of the work of pupils of Sierra Madre schools is self-explanatory, and requires no comment:

Belvedere Health Center, 678 S. Ferris Ave., Los Angeles, May 13, 1929.

Miss Florence Lusted, Sierra Madre Grammar School. My dear Miss Lusted:

In behalf of the Health Department, Mrs. Durbin and I wish to extend our most sincere thanks and appreciation to you and the boys for so beautifully executing the relief map, showing the dental health Program of Los Angeles county.

Members of the dental profession were extremely interested in the detail and clever way in which the project was worked out. So much so that the day following the convention, I was called by the chairman of the program committee of the Pacific Coast Conference, asking if we could send the map to San Francisco in July, or be exhibited at the Triennial meeting of the five western states. Needless to say, this pleased us very much, and we are trying to work out a way to send the map without marring it in the least bit. If there is any doubt as to whether it can be successfully shipped or not, we will not send it.

Thanking all who had a hand in making this project possible we are,

Most respectfully yours,  
J. L. Pomeroy, M. D.,  
L. A. Co. Health Officer.

**"This paint has them ALL beat"**

A painter showed another painter a building painted with Pabco Multi-Service Paint.

His friend said: "That's the poorest two-coat job I've seen in years!"

The first painter replied: "Yes, it would be called a poor two-coat job — BUT THAT'S ONLY THE FIRST COAT."

This is happening every day... all over the West. Painters are fast learning that Pabco Multi-Service Paint covers far better than other high-grade paints, and looks better too. Yet this remarkable paint is guaranteed and costs  $\frac{1}{4}$  to  $\frac{1}{2}$  less!

## Large Attendance Is Expected at Masonic Dance

The patrons and patronesses for the eighth annual Masonic Dance and card party to be held Friday night, May 31, at the Temple, are Mr. and Mrs. W. J. Lawless, Mr. and Mrs. C. J. Pegler, Mr. and Mrs. C. W. Jones, Mr. and Mrs. J. Milton Steinberger, Mr. and Mrs. J. N. Hawks, Mr. and Mrs. H. E. Allen and Mr. and Mrs. Convers Twycross.

Bridge and five hundred will be played upstairs so that the players may not be annoyed by the dance music.

Excellent music for the occasion is made certain by the securing of the Porter Redman orchestra from Los Angeles. This organization ranks among the best in the Southland and will contribute greatly to the success of the evening.

Handsome invitations were sent out last week by the committee and already a large number of favorable replies have been received. A large crowd is expected to attend the affair.

## PICNIC BRIDGE LUNCHEON

Mrs. W. D. Richards and Mrs. Carl Graf entertained most charmingly Thursday at Mrs. Graf's home on Grand View, at a 12:30 picnic bridge luncheon. Eight tables were set in the lovely arbor, spring flowers being attractively arranged. Bridge was later played in the house. Thirty-two guests were present from Hollywood, San Francisco, Pasadena and Sierra Madre.

Rev. R. C. Lewis, pastor of a church in Hawthorne, and not enjoying good health, has been granted a two-months rest by his congregation, and he and Mrs. Lewis are spending the welcome vacation period at their cabin, 481 Woodland Drive, Sierra Madre Canyon.

## Leaves for Visit In Middle West

J. T. Railsback of 240 South Hermosa, accompanied by his daughter, Mrs. Agnes Tyree, left Tuesday evening via the Southern Pacific for Kansas City, Missouri, where Mr. Railsback will spend the summer. Mrs. Tyree will return in a month.

They will stop off at Fallon, Nevada, to visit Mrs. Tyree's daughter, Mrs. Pauline Lattin, formerly of Sierra Madre. Mr. Railsback, who is in his 84th year and a veteran of the Civil War, is very anxious to be back at his old home town for Memorial Day. His wife, who passed away just last fall, and two children are buried there.

Two sons of Mr. Railsback live in Kansas City, which was the terminus for this veteran railway conductor when he was on the Missouri Pacific for 34 years, plying between Kansas City and Omaha.

To the People of Sierra Madre: Over our signatures we wish to deny most emphatically that we are pledged to any individual or organization to carry out any special or prearranged program, as alleged in a recent spurious publication.

If elected at the Recall Election May 25, 1929, we do pledge to conduct an honest and business-like administration for the benefit of the city as a whole. Signed, HENRY CLAR REAVIS. Signed, RALPH W. STEWART.

## GARDEN PARTY BENEFIT

On June 5th in Busch Gardens, Pasadena, there will be held a garden party under the auspices of the Women's Auxiliary of the Pasadena Hospital, for funds to complete the children's ward. Tickets at \$1.25 each will secure a place at a bridge table. A buffet supper will be served both in the afternoon and evening. Tickets may be purchased at the gate.

## NOW.... For the Finishing Touches!

The work on Norm's NEW GARAGE is practically completed and we are starting on the "home stretch."

It has been SOME job, but we pride ourselves on the fact that the task has been accomplished without sacrificing one bit of the high-grade and snappy service that wise motorists have been accustomed to receive at this place.

## Nurse Says... Thank You!

A. D. Hughes and Dr. F. R. Rich

WISH to thank their many friends for their loyal patronage and co-operation during the time they have conducted the Central Pharmacy in Sierra Madre.

They are pleased to state that their successor, Mr. William Middough, comes to this city very highly recommended and they anticipate for him a continuation of your most generous patronage.

## The Best Start for a Happy Married Life—

During the years past we have watched many newlyweds start on the journey of life. Almost without exception those who saved a part of their income regularly have become happy and prosperous. May we suggest that the new brides and grooms of this year come here and learn the advantages of a savings account with this bank?

## DON'T BE MISLED!

Those who are willing to say anything to gain a point, regardless of the truth, are now broadcasting misstatements concerning the assessment figures on the Central Avenue Improvement being issued by the engineers.

The engineers state that the assessment will be \$4.78 or \$6.49 per \$100 of assessed land valuation, dependent upon whether the street east of Baldwin is to be 65 feet or 80 feet wide. THIS IS THE TOTAL ASSESSMENT, PAYABLE IN TWENTY YEARS.

The mistatement is being made that the \$4.78 is an annual assessment.

THIS IS ABSOLUTELY UNTRUE, THE TRUTH IS THAT IT WILL COST ABOUT TWENTY-THREE CENTS (\$.23) PER YEAR—LESS THAN TWO CENTS (\$.02) A MONTH.

AND DON'T FORGET THAT COUNCILMEN BELOHLAVEK AND ISAACS HAVE PLEDGED THAT THE ENTIRE CENTRAL AVENUE IMPROVEMENT WILL BE SUBMITTED TO THE PEOPLE AT A STRAW VOTE ELECTION WITHIN THIRTY DAYS, WHEN THIS WHOLE CONTROVERSY ON THE STREET WILL BE SETTLED.

WHAT COULD BE FAIRER THAN THAT?

## Let's Be Done With "Peanut" Politics!

I'm wary of "clique" politicians who play both ends and the middle, but I'm mightily interested in men who know how to apply sound business methods to the administration of public affairs.

It seems to me that this Recall Election, over which so many "red herring" have been drawn, resolves itself down to this simple question: Do we taxpayers and rent-payers of Sierra Madre appreciate efficiency in our officials, or are we going to let the "clique" politicians continue to keep their fingers in the "pie"?

Henry Isaacs and Joseph Belohlavek, now both retired, have been successful business men. They have been giving their time and energy and the fruits of their long experience to us, without one cent of compensation. Not one in 500 taxpayers or rentpayers could afford, financially, to accept membership in the City Council and give the time required for such work. These men have been "on the job" with an eye single to putting Sierra Madre's public business on a sound administrative basis. WE HAVE BEEN RECEIVING THE BENEFITS OF THEIR UPSTANDING BUSINESS MANAGEMENT—AND NOW COME A FEW "CLIQUE" POLITICIANS, STIRRING UP TROUBLE AND CREATING "PHONEY" ISSUES.

Two or three years ago, when the question of building a new City Hall was being discussed, ISAACS AND BELOHLAVEK DECLARED AN APPROPRIATION OF \$24,000 WAS SUFFICIENT for such a structure. THE "CLIQUE" POLITICIANS SAID IT WOULD COST \$50,000—that such a building as was needed could not be erected for a cent less. Councilmen Isaacs and Belohlavek, who composed a majority of the building committee, insisted that, with careful expenditure, a building, adequate for all the needs of the city for years to come, could be erected for the sum of \$24,000.

The new City Hall stands as proof that the business judgment of these two men was correct. What further comment is necessary?

And this is but one of many instances wherein Councilmen Isaacs and Belohlavek have stood for retrenchment and economy. As a taxpayer of Sierra Madre, I have unbounded confidence in these two servants of the people. We are fortunate in having the benefits of their long business experience. The issue is between business efficiency and "Peanut" politics. Do you want to play safe, or be misled into taking a "gambler's chance" in the administration of the people's business.

# LEST WE FORGET!

## Remember—

A gold chain across the vest doesn't raise the value of the Ingersoll in the pocket.  
A grand boulevard on Central Ave. won't increase land values in this city if we have out-of-date schools.  
This is and always will be a city of homes. It must attract homeseekers.

Let us have Central Avenue on a reasonable and economical basis and save some money for schools.  
The same dollar can't pay street assessments and school bonds!

## Remember—

IF ISAACS and BELOHLAVEK are kept in office, they with their friends on the council, will be able to put projects thru as they please.

The property owners will have no recourse. Four board members can overrule any protest!

What assurance have we those men will keep their recently acquired disposition to carry out the will of the people? Have they kept other promises?

## Remember—

To keep them in office means a BIG bond issue. Their own—for the third time—"REVISED" figures say \$255,857.50! Can any figures given by them be relied on? The figures printed in the add of May 17th differ materially from the "first accurate" figures given by the engineer at meeting of April 2nd, which differed from the "first reliable" figures given by the same engineer November 8th.

What is to prevent another "Revision"—upward this time?

## Remember—

'PIGS IS PIGS'

—AND—

BONDS IS BONDS

Whether city, Vrooman or Mattoon Act, they must all be paid and they all draw interest.

ONLY—The property owner gets no chance to vote on Mattoon Act Bonds! No two-thirds vote there!  
Just a majority of the Council!

AND—Kersting Court will be lowered so the north side of Central can be lowered.

WHY? Does anybody especially interested own the property on the south side of Central right there?

The engineer's reply to "WHY?" in council meeting February 12th was, "Because that surface slopes so much. It is dangerous. A car might overturn." BUNK! In twenty years no car has overturned.

The engineer also stated at that time in reply to questions, that, this proposed change was "so costly" it could not be done by surrounding property owners—it would have to be part of a "BIG" project, such as Central Avenue, so the whole city would pay for it!

No figures have been given for this addition to the Central Avenue project, but it will be hitched on—you bet!

Several of those active in opposing the recall own no property, pay no taxes and will pay no part of the cost of Central Ave. Henry Clay Reavis and Ralph Stewart are both property owners and taxpayers. They earn their living. They will have some fellow feeling and consideration for people situated as they are.

They are not pining for a millionaire colony nor taxes so high as to "squeeze out the small property owner."
